

Java Developer (Fresher) - Job Description

Job Title: Java Developer (Fresher)

Location: hyderabad(Remote/Hybrid/On-site)

Job Type: Full-time

Experience: 0-1 Year (Freshers Welcome)

Salary: Competitive (Based on Company Standards)

About the Role:

Are you passionate about Java development and eager to start your career as a software developer? We are looking for a **highly motivated fresher** to join our team as a **Java Developer**. This role is perfect for someone with **strong programming skills**, a willingness to learn, and an enthusiasm for working with modern Java technologies.

As a **Java Developer**, you will be responsible for assisting in the development, testing, and maintenance of applications while working closely with senior developers and mentors.

Key Responsibilities:

- ✓ Write clean, efficient, and well-documented **Java code**.
 - ✓ Assist in the development of **web applications and backend services** using Java and Spring Boot.
 - ✓ Learn and implement **Object-Oriented Programming (OOP) concepts**.
 - ✓ Work with **SQL and NoSQL databases** for data storage and retrieval.
 - ✓ Develop and test **RESTful APIs** to integrate front-end and back-end systems.
 - ✓ Debug, troubleshoot, and fix software issues under guidance.
 - ✓ Collaborate with senior developers in **code reviews and learning sessions**.
 - ✓ Follow **Agile development methodologies** and best coding practices.
 - ✓ Learn and apply **modern tools & frameworks** in Java development.
 - ✓ Continuously improve your coding and problem-solving skills.
-

Required Skills & Qualifications:

- ◆ **Bachelor's degree** in Computer Science, IT, Software Engineering, or a related field.
- ◆ Strong understanding of **Core Java (OOPs, Data Structures, Exception Handling, Collections, Multithreading)**.
- ◆ Basic knowledge of **Spring Boot, Hibernate, and SQL/NoSQL databases**.
- ◆ Familiarity with **REST APIs, Git, and version control systems**.
- ◆ Good problem-solving and analytical skills.
- ◆ Ability to write **clean and optimized code**.
- ◆ Strong **communication and teamwork skills**.
- ◆ Eagerness to learn new technologies and frameworks.

Preferred Skills (Good to Have, Not Mandatory):

- ✓ Exposure to **Spring Framework, Spring Boot, and Microservices**.
 - ✓ Basic knowledge of **HTML, CSS, JavaScript** for full-stack development.
 - ✓ Understanding of **Docker, Kubernetes, and cloud platforms (AWS, Azure, GCP)**.
 - ✓ Familiarity with testing frameworks like **JUnit and Mockito**.
-

Why Join Us?

- ✦ Opportunity to **kickstart your career** in Java development.
 - ✦ **Mentorship and guidance** from experienced developers.
 - ✦ Work on **real-world projects** and gain hands-on experience.
 - ✦ **Training and learning sessions** to enhance your technical skills.
 - ✦ Collaborative and friendly work environment.
-
